

Quality for Life !!!

# SIC Swiss Import Corporation Pty.Ltd

Hydraulically compressed non-woven cotton tissue. It is 100% natural, biodegradable. Made from cotton-based viscose. Suitable for all skin types. No preservatives, no anti-bacteria, no alcohol. Simply pour cold or warm water over one miniTISSUE, unfold it, and it's ready to use. (Caution: do not place in the mouth; do not flush; keep out of reach of small children.)

A miniTISSUE belongs in every car, office and bag. It is the perfect travel companion. Ideal for all outdoor activities, camping, picnic, fishing, hunting, hiking or golf, personal hygiene in restaurants or at home. It is the ultra lightweight, clever cleaning companion.
